nineteen hundred fifty three

An aerial photograph of a school building complex. The building is a large, multi-winged structure with a flat roof. A circular driveway or road curves around the front and side of the building. A school bus is visible on the road. In the background, there is a large, open field and a line of trees. The overall scene is captured in a monochromatic, sepia-toned style.

ALFRED H. BENNA
Principal

We dedicate this, our first yearbook, to Alfred H. Benna as a token of our appreciation for the wonderful work he has done as principal of our new school. The special interest he has taken in us personally, his willingness to co-operate whenever asked, and his friendly manner with the members of the faculty and student body have made him an outstanding figure.

We give tribute to a man without whose leadership we could not have accomplished so much, so well.

Congratulations are in order for Patsy Sullivan, Editor of our WARRIOR, for the wonderful job she has done in promoting the growth of the paper. Also in line for thanks are Alice Parry and Bruce Diehl, the Business Manager and Associate Editor.

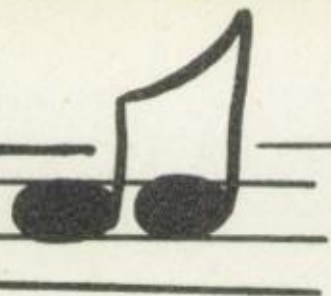

Inexperience did not alter the high spirits of the Warrior Staff as they plunged into the task of publishing their first edition of a school paper. Without the help of their Advisor, Mrs. Madelaine Gainer, they might not have been quite so successful. But with her constant instructions and the staff's efforts they succeeded in bringing the students the latest news of their school life.

JUNIOR CLASS PLAY

On November 13, 1952, the Junior Class of Mt. Savage High School presented a three act play, "Wish on the Moon."

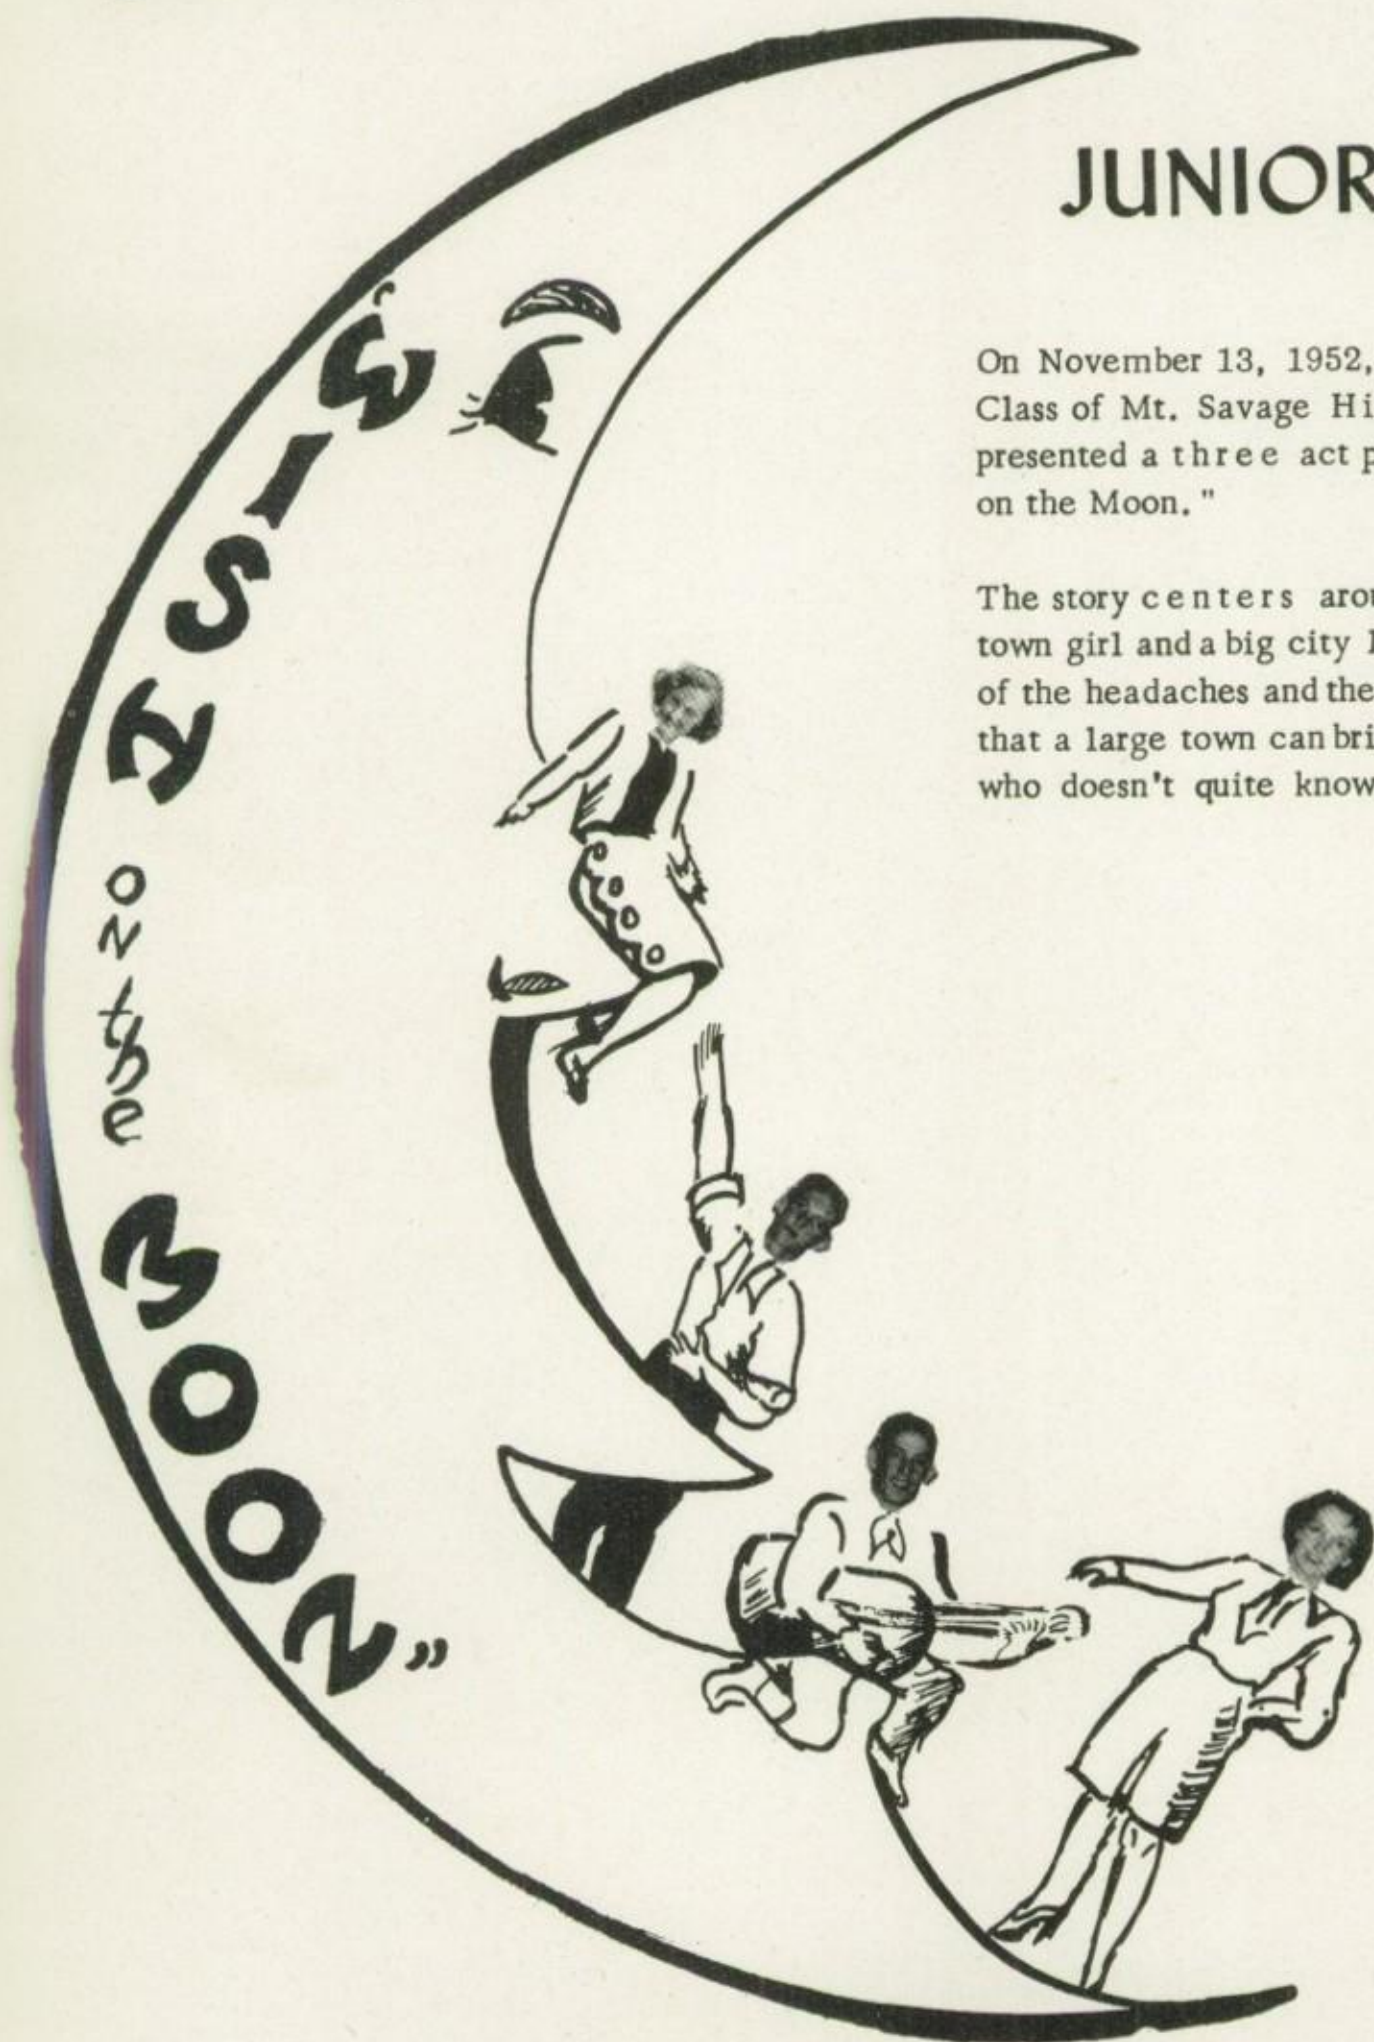

The story centers around a small town girl and a big city lad. It tells of the headaches and the heartaches that a large town can bring to a girl who doesn't quite know the score.

ATHLETICS

ATHLETIC DIRECTORS

The athletic program of our school is all dependent on these three coaches. John Thomas directs all boys' activities and is ably assisted by Coach "Buck" Carter, who mentors the J.V.'s. The spring program includes softball, baseball, basketball and wrestling on the intramural program.

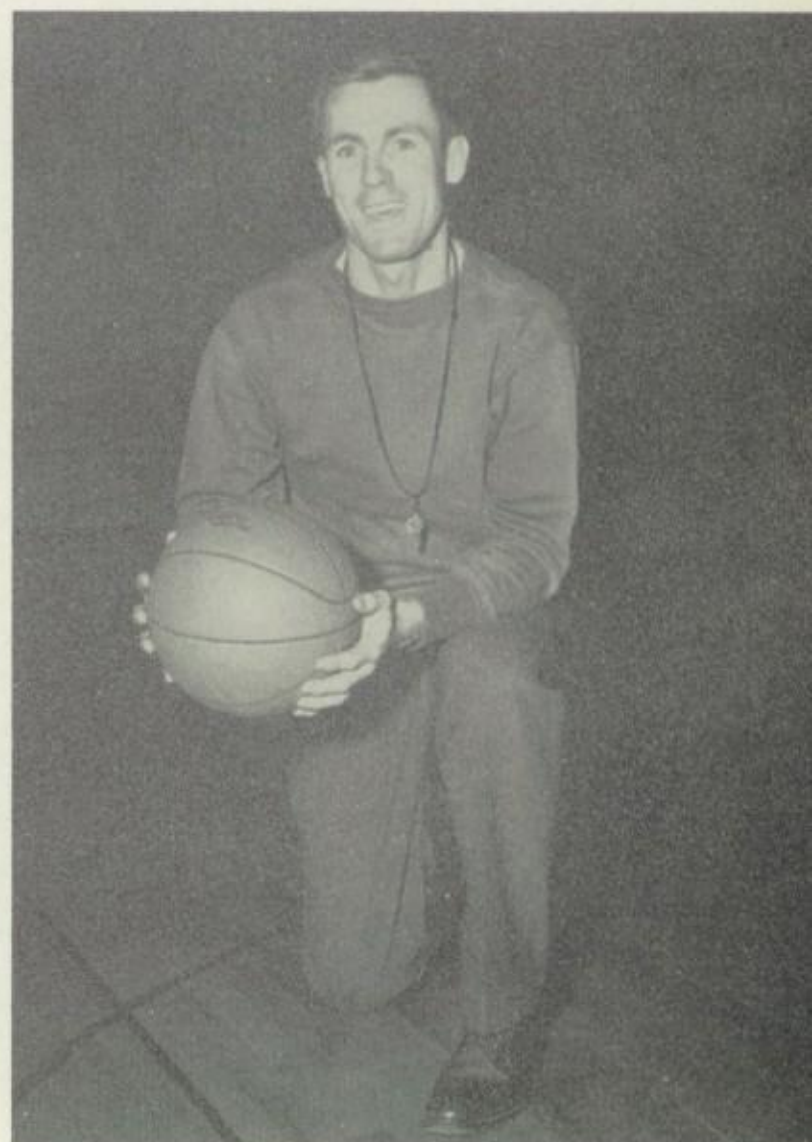

Lois McCreight has given the girls opportunity to show their athletic prowess in a well varied intramural schedule including fistball, volleyball, kickball, stunts and tumbling, ping pong, basketball and softball.
